Your application for an Electronic Travel Authorization (eTA) has been approved. You are now authorized to travel to Canada by air.

When you travel to Canada, you will need to bring the passport you used to apply for your eTA, as the eTA is electronically linked to it. Should you obtain a new passport, you will need to apply for a new eTA.

Airline check-in staff and the Canada Border Services Agency will have electronic access to your eTA status using your passport.

In the future, you can verify the status and expiration of your eTA by using the [eTA Check Status Tool](#). To do this, you will need the eTA number noted above and details from the passport you used to apply for your eTA.

For information on what to see and do in Canada, visit www.Canada.travel. See you in Canada!

Do you plan on visiting the United States? You may require authorization through the Electronic System for Travel Authorization (ESTA). Find out more on the [ESTA website](#).
